Congratulations on your most recent quilt project!

We're thrilled to be a part of your quilt's creative process and eagerly anticipate adding the final touches it truly deserves. To ensure a smooth and efficient experience, please go through each item on this checklist to prevent any potential delays.

PREPARE QUILT TOP FOR SHIPPING

- Loose threads trimmed
- Free of embellishments
- Order number is inside your box/package as well as your phone number
- Mark the top of the quilt top with a safety pin. If you include backing, also mark the backing top with a safety pin especially if the backing is directional
- Quilt top and backing (if included) is free of pins (except for safety pins to mark the top of the quilt top and backing)
- Place quilt top, backing/binding (if included) and paper with info in plastic bag inside shipping box to protect from moisture during shipping. Do not layer or baste together.

BACKING AND BINDING

- Backing (if included) is 4 inches larger on all 4 sides of the quilt top and fully pieced/pressed
- Binding fabric included and labeled (only if not using the leftover backing fabric). **NOTE: we do not bind minky, cuddle or fleece.** Do not pre-make the binding.

| Fabric Yardage Needed for Binding | | | | |
